

# Tasksheet English 8a – Bodemann

**20 April – 24 April 2020**

Dear 8th graders,

are you doing fine? Everything okay with you? Enjoyed the Easter break and the awesome weather? Enough power for further home schooling?

I think it's a little sad that you will have to learn and work all by yourself for some more weeks. Maybe that's not easy for you. If there's any problem/question etc., don't hesitate to contact me personally or via your class spokespeople. Or help each other if possible. I'm going to provide solutions by the end of the week. But work alone first. Plan your work, you cannot do all tasks in one go.

## Here are your tasks for this week:

1. WB p 46/1,2,3a – Write detailed answers for Aron Ralston. (revision)
2. WB p 52/14,15,16,17 – Use your folder for longer answers and word pairs. (revision)
3. Different types of texts:  
Read the information on different types of text in your book p 74.  
(different kinds of texts + some typical elements – I believe you do know a lot from your German lessons.)

Do the tasks in your WB p 51/12 + 13 a,b.

(tip for number 13: You are expected to use **own** ideas for the girl. So give her a name, think of her age etc.)

I'm sure you have written great texts about a personal outdoor adventure or a movie (= task before Easter break). **Please, send me your texts until Wednesday, 22/4.**

It doesn't matter if it's computer or handwritten.

It's time for a little feedback for you now, besides I'm very curious. There won't be any bad grades 😊

If you live in the Westviertel you could also drop your text in my letter box (Gillestr. 6a).

**Keep fit and healthy.**

Yours
